

*Tax Day rally to say:*

# **Tax the Rich**

*No cuts to poor and working people!*

**Monday, April 16**

**12:00 noon**

**MN State Capitol**

We are in an economic crisis. We are losing our jobs and our homes. There are huge cuts to education, health care and other services that we have been paying into for years.

Working people are under attack. Still the politicians are talking about more attacks on us. Meanwhile, the wealthy have been getting huge tax cuts year after year.

The MN Coalition for a People's Bailout and the Welfare Rights Committee have a bill to TAX the RICH. On April 16, come to the capitol and make your voice heard!
